Agenda Items

1. **Welcome**

2. **Vision and Values**

LM shared the proposed booklet to be sent to parents to gather parents' views on our vision and mission as a school.

LM explained that over the last five years, there has not been work on the school's vision and this is important as, since changes in the school leadership, this has changed.

LM shared how the values at King Charles are embedded but we want to develop these further. It was shared how we want to link these to stories that the pupils can pin their understanding to.

Within the booklet to be shared in Summer term, there is space for parents to share ideas of the stories to pin these to. ML suggested that we also consider stories of other faiths showing our commitment as a global society and a global faith under one God.

When looking at the booklet, parents felt that this would be a good way to access parents and a good space for them to share ideas. ML suggested adding 'why' to the booklet – considering 'Why choose King Charles?' and 'Why do you think your child enjoys school?'

ML felt that this was largely to the trust that people have in the school and the staff.

The ideas will be added to the booklet and sent out in May 2019.
